Re: Docket No. 2008-0273: Feed-in Tariffs Investigation

Honorable Chairman and Members of the Commission:

On behalf of Blue Planet Foundation ("Blue Planet"), this responds to the Commission's February 19, 2010 letter to the parties in the above-referenced matter. The letter is addressed to the Service List (including Blue Planet), encloses Information Requests ("IRs") prepared by the Commission's consultants, and requests a response to the IRs by March 4, 2010. Blue Planet observes that none of the IRs are designated as being directed to Blue Planet, but are designated to parties other than Blue Planet, nor does it have any additional comments in response to any of the IRs at this time.

Thank you for your attention to the foregoing. On this date, two copies of this letter were duly served upon the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy by U.S. Mail and by electronic mail, and one copy was served on the other parties to this proceeding by electronic mail.

Very truly yours,
